March 2011

Dear Patrons:

Students will be taking ITBS and ITED exams during the week of March 7th. Everyone has come to the realization that these assessments have become high stakes tests for the school and now for the students. Students currently in grades 6-11 should take special note. Your test results will determine your enrollment in our Secondary Reading classes. One cannot overemphasize the need for students to take the tests seriously and put forth a 100% effort on each part of the test. Please discuss the importance of these tests with your child.

Winter has been harsh at times this year. We have been very fortunate to only cancel school two days thus far. Please refer to the snow make-up days as listed on the school calendar. As of February 14th, the last day of classes is currently scheduled for May 26th. Please keep this in mind as you make future plans.

We are in the process of collecting the names of students who will be attending kindergarten at English Valleys next school year. A very high number of our kindergarten students are already enrolled in the 4-year-old preschool class and so we already have the names of those students. However, we sometimes have students who are new to the District or did not elect to attend pre-school. If you have a child, or know of a child, who plans to attend kindergarten at English Valleys, we would appreciate you notifying the elementary office at 664-3638. Remember, a child must be five years of age by September 15, 2011, to be eligible for the 2011-2012 kindergarten class. Your cooperation is appreciated.

The elementary office will schedule kindergarten round-up day in the future. Parents with children involved in this special day will receive notification from that office. A parent meeting will also be held.

Sincerely,

Alan Jensen, Superintendent
Would you like to be more involved in your children’s schools?

If you would like to participate on the School Improvement Committee, please contact Superintendent Alan Jensen at 664-3634, Elementary Principal Amy Andreassen at 664-3638, or Jr/Sr High School Principal Martin Van Roekel at 664-3632.

What size is your family?
By Mrs. Bower

We recently completed a unit on Family. We talked about similarities and differences in families.

We noticed similarities and differences after making a picture graph to represent the people in our house. This graph reached from the ceiling to the floor.

In addition to this graph we each made a family poster at home. These posters included family members, birthday celebrations, homes, family rules, and family fun.

We concluded this unit discussing the differences between family needs and wants. Each family needs shelter, food, clothing, and love. We represented each of these needs by cutting out pictures from magazines and gluing them in our Family Needs and Wants Book.

Pen Pal Party with second graders from Williamsburg!
By Mrs. Folkmann

Each class of second graders at EV has been writing to pen pals in the Williamsburg school district each year for about eight years now.

Each year we match one of our second graders at EV with a “pal” from a second grade class at Mary Welsh. This year our pen pals are all from Mrs. Kleinmeyer’s second grade.

The students exchange letters once a month starting in Sept. through May. Writing a friendly letter is a skill that is taught for language arts in the second grade curriculum, so this is an authentic and highly motivating way to improve this skill. W’burg pen pals usually come to visit us at EV in the winter, and we usually go to see their classroom in the spring.

On Friday we had four winter theme “centers” to visit. Students had hot cocoa and cookies at a center where they learned about the states of matter: solid, liquid, and gas. They used their creativity to make a snowman magnet at an art center. They also played a “snowman race” game that helped them practice “trading” ten ones for one ten. They completed a winter fun work packet together with their pals too. The kids had a lot of fun together!
The youngest students in the English Valleys School District started the school year at age 3. As a teacher, it is amazing to see how much they grow physically, emotionally, socially, and mentally.

After being in school more than half of the year, we thought you might like to know what the 3 and 4-year-olds enjoy doing at school. Each of them was asked, “What do you like to do at school?” Here are their responses.

Whit Andreassen: I like to listen to stories at school.
Christy Knapp: I like to do the computer at school.
Garin Schaffner: I like to play workshop at school.
Kadi Troyer: I like to play with Play-Doh at school.
Brietta Williams: I like to play computer at school.
Stacia Linder: I like the computer at school.
Keyden Lown: I like toys at school.
Cyrus Morrison: I like Play-Doh at school.
Colleen Myers: I like the computers at school.
Cael O’Rourke: I like to do a puzzle at school.
Ben Coffman: I like Play-Doh at school.
Dylan Kleine: I like making things at school.
Eli Van Voltenburg: I like Play-Doh at school.

Your local Dollars for Scholars organization is celebrating 18 years of helping our students as
they have continued their education after high school. Since the Spring of 1993, we have awarded
469 students a total of $255,670, and we plan to help many, many more.

It’s our regular contributors who have established our ability to assist our students in such a strong,
growing fashion for nearly two decades.

These are the families, businesses, and individuals who have contributed since we began in 1993.
Each category of giving represents their accumulated offering.
